

REMARKS

Restriction Requirement

For clarification of the record, Applicant understands the restriction requirement to involve the following groups:

- I. Claims 1 through 11 and 17 (claim 1 being independent); and claims 16 and 19 (claim 16 being independent); and
- II. Claims 12 through 15 and 18 (claim 12 being independent).

Election

In response to the restriction requirement defined by the groups I and II clarified above, Applicant hereby elects without traverse the examination of Group II Claims 12 through 15 and 18 drawn to a method. Unelected claims are withdrawn.

After entry of this amendment claims 13, 15, and 18 are pending for examination. By this amendment, claims 12 and 14 are cancelled; and claims 13 and 18 are restated in independent form.

Applicant plans to file a supplemental amendment within a few days to more particularly point out the invention for which a patent grant is desired and to submit additional claims believed to be within the scope of elected Group II.

Request for Extension of Time

Applicant asks for an extension of time sufficient to maintain the pendency of this case, believed to be four months.

The Examiner is invited to contact the undersigned at the telephone number listed below

if it would in any way advance prosecution of this case.

Respectfully submitted,
